The voluntary Services of Memon Welfare Society

میمن ویلفیئر سوسائٹی کی فلاحی خدمات

*Helping needy students for education fee
*Helping Community members for health care for those who cannot afford med expenses
*Helping in Coffin & Burial Services
*Helping & guiding unemployed in seeking employment
*Extending free Matrimonial services
*Beside above we are assisting some Madrassa by paying fees of needy students and schools where the students receive education but cannot afford even the nominal fee.
*Organize other social & welfare programs for our community such as Seminar, Families get to gather together, Career guidance sessions, evening with scholar etc
*Also help financially and materially the victims of natural disaster such as flood and Earth quake etc.
*Collect used clothes and dispatch them by cargo for needy people in Pakistan, India, Bangladesh, Burma, Somalia. This is a unique service.
*Collect unused medicines for free medical camps organized by Pakistan welfare Society in Consulate General of Pakistan Jeddah every alternate Friday regularly. No doubt, Memon Welfare Society is playing a significant role by providing an opportunity to the community families to meet, greet and eat together from time to time, which is not a piece of good fortune only but strangers of yesterday become friends of today and then some of them become relative tomorrow. However, In order to perform well, we have formed various committees to undertake their respective responsibilities. In brief MWS is purely social and welfare forum to serve the community and humanity inside KSA.

-تعلیم اور مدرسے کی فیس کے لئے ضرورتمند طالب علموں کی مدد

کوئی شک نہیں، میمن ویلفیئر سوسائٹی - مختلف خاندانوں کی ملاقات کروانے - ایک ساتھ طعام کر کے سلام و دعا کروانے اور دوستی ورشتہ داری قائم کرنے کے مواقع فراہم کر کے کمیونٹی میں اہم کردار ادا کر رہی۔ اس کے علاوہ سوسائٹی نے اپنی اپنی ذمہ داریوں اور فرائض کی بخوبی انجام دہی کے لئے مختلف کمیٹیاں تشکیل دی ہوئی ہیں۔ المختصر --- میمن ویلفیئر سوسائٹی خالصتاً سماجی اور برادری کی فلاح و بہبود اور انسانیت کی خدمت کرنے کے لئے سعودی عربیہ میں ایک مفید فورم ہے۔

Identifying the Straight Path

By: Abdul Sattar Ahmed

Source: IslamiCityBulletin

صِرَاطَ الَّذِينَ أَنْعَمْتَ عَلَيْهِمْ غَيْرِ الْمَغْضُوبِ عَلَيْهِمْ وَلَا الضَّالِّينَ ﴿٧﴾

“Guide us along the Straight Way.
The way of those whom You have bestowed Your Grace.
Not of those who earn Your anger,
nor of those who go astray.” (Qur’an, [1:5-7](#))

When we examine these verses, we find that it has some very interesting qualities that make it a unique prayer. In a short examination of the above verses, especially the section we have highlighted, we will find guidance on:

1. Having humility as a servant of Allah ﷻ (Glorified is He) in the community
2. Ascribing success to Allah ﷻ and not to oneself
3. The comprehensiveness of Islam
4. The social nature of the Islamic message

As we explore the garden of Surah Fatihah, we will pick these four fruits for today.

1. Humility

In this prayer which Allah ﷻ revealed to us, it is clear that we are to ask for guidance upon the Straight Way. However, the nature of this path, its location, its signs, its characteristics, and its direction are all left out. We are given no indication as to how to get there, how to find the map for it. Instead, the path is described in one single way: “The Path of Those Whom You Have Favored”.

It is interesting that rather than pointing to concepts or ideas for the individual to discover on one’s own, Allah ﷻ pointed to people. He tells us that this path is found with those whom His favor is upon. What is the point of doing this?

It has immediately turned us into students. We are seeking this path and when Allah ﷻ points to the people whom He has favored, our

minds become fixed on seeking out these people. Who are they? How can we be like them? How can we join their company? Rather than allowing us to feel arrogant that we are on the Straight Path, we have been directed towards others who may already be there. But again...who are they?

وَمَنْ يُطِيعِ اللَّهَ وَالرَّسُولَ فَأُولَٰئِكَ مَعَ الَّذِينَ أَنْعَمَ اللَّهُ عَلَيْهِمْ مِنَ النَّبِيِّينَ
وَالصَّٰدِقِينَ وَالشُّهَدَاءِ وَالصَّٰلِحِينَ وَحَسُنَ أُولَٰئِكَ رَفِيقًا ﴿١٩﴾

“All who obey Allah and the Messenger are in the company of those on whom is the Grace of Allah, – of the prophets (who teach), the sincere (lovers of Truth), the witnesses (who testify), and the Righteous (who do good): Ah! what a beautiful fellowship!” (Qur’an [4:69](#))

And here we have:

-How to join this company: Obey Allah and the Messenger ﷺ (Peace and blessings of Allah be upon him).

-Who the company consists of: the Prophets, the Siddiqeen (the truthful sincere servants of God), the Shuhadaa (those who testify to the Truth with their speech, and if needed will defend the Truth and the innocent with their lives), and the Saliheen (those who are righteous in actions).

Allah ﷻ, then praises this group by calling it a beautiful fellowship.

By naming these four groups of people in the Qur’an as those whom the Grace of Allah is upon, He has pointed us not to a set of concepts, but to a community and a set of examples. From the teachings of the Prophets we take knowledge and the framework of Truth for all that follows. From the Siddiqin we derive the lessons and examples of sincere worship. From the Shuhada we see examples of those who act and struggle to testify to Truth. And from the Saliheen we see examples of righteous actions. So the one aiming for the Straight Path should seek out these people, their company, their examples, and learn from what they have.

This teaches the servant that he should think himself self-reliant in his journey towards God’s grace, but should remember that there are those in the past, and those in the community that he can seek out and be in good company with.

2. Ascribing Success to Allah

In mentioning the Straight Path, Allah ﷻ does not simply provide a list of actions. Rather, He makes it clear that He is the One acting.

تَمَنَّا – This word means “You bestow nai’mah (favor) upon” in reference to God. A subtle reminder that we are not the one’s who “earn” Allah’s grace, but that He gives it to us out of His mercy. Though we can attract his Mercy through sincerity, Allah ﷻ is reminding us that it is not our deeds alone that bring guidance or forgiveness, but it is something that He bestows upon us as a Favor, a nai’mah. This again reminds the servant to be humble before Allah ﷻ.

3. The Comprehensiveness of Islam

Every group, methodology, and ideology will have some method or idea which it sees as the primary driver of Islamic reform for the individual and the community. Some groups oriented around Tasawwuf (self-improvement) will focus on spiritual purification. Others focused around societal change will focus on activism in the community – both social and political. Other organizations will focus on righteous deeds and worship. Yet others will focus on knowledge.
